Brothers, as we move into the last quarter of the fraternal year, we have done a lot but we still have lots of work to do. The First Responders awards dinner was a success. The committee did a wonderful job getting this together. We have upcoming, our baby bottle campaign. In the past it has been very successful. Let us keep that going and help out the point of contact with Manning doors at the church handing out bottles and receiving those that are returned. The state convention will be held April 5-7. The Deputy Grand Knight and myself will be attending. Hopefully will have lots of positive news to bring back to the council. We have an upcoming exemplification in the month of April. Please try to attend, as we walk our new brothers to the council. And as always, please keep all of our further Knight and their families in our prayers as they navigate through illness.

Vivat Jesus
Rodney Profit, Grand Knight
Council 6629

My brothers in Christ,
In the name of the whole parish of Saint John the Beloved, May you and your families have a very Blest and Happy Easter!

This is our great day of joy and victory, as we are part of the body of Christ, and share his victory over sin and death!

The journey of Lent was 40 days from Ash Wednesday to the Wednesday before the Triduum, that is, the suffering, death and Resurrection of Jesus. Lent was 40 days, but the Easter season is 50 days from Easter Sunday to Pentecost Sunday.

(continued) Our word for the Easter season is ALLELUIA! We did not use the “A” word throughout Lent so we could say it and sing it more joyfully in this wonderful Easter season! We need to always be positive and cheerful and joyful, because if we have the Lord in us, then we have everything we need!!!! That means that every day is a good day! Yes, some days are better than others, and every day is a “mixed bag,” but Jesus is the key! He is the treasure that everyone is trying to find in all the wrong places! (money, drugs, power, sex, material things). God’s life in Jesus, is the one thing in the universe that truly fulfills and satisfies the infinite wants of the human heart! That is why we need to be cheerful and positive in Jesus!!!

Easter is not simply one day a year, when we celebrate the empty tomb in Jerusalem, 2000 years ago. We have the Lord with us always. Jesus is truly. Immanuel, “God always with us!” So, every single day can be a resurrection, and Easter can happen at any moment! God brings new life from anything, no matter how impossible or hopeless or dead it seems. God’s love and God’s power can bring good out of anything!

Therefore, let the Alleluias resound from the heart of each one of us! Anything is possible with God! Jesus is alive! He is risen! Alleluia!

God bless!
Father Ray

The director of Area 6 Special Olympics Ms. Paula Brock was on hand to receive a donation from the Special Needs Sub-Account (funded by our annual golf tournament)

Before the presentation, Paula talked about all the organized sports that these athletes are involved in. Basketball, Golf, Track, Bowling, Swimming and Soccer. She expressed deep appreciation for the generous of the Knights enabling these programs to take place.

Council is IN GOOD STANDING with Supreme. We are also well on our way to satisfying all Star Council criteria for this Fraternal Year. The planned Baby Bottle drive and one more Habitat for Humanity events are all that is needed to allow submittal of Star Council Form SP-7. Our Calendar Raffle sales are going well, but based on prior year sales after Easter sales slow, so we need everyone to buy at least 1 calendar and promote sales to your friends and family.

Divine Mercy in Action

In my relatively short life with the Knights, I have observed one thing, spoiler alert-it's pretty hard to miss-they are regular practitioners of mercy. They extoll the three degrees of mercy at almost every turn: Deed, Word and Prayer. Deed: They jump into action to help, and they work together; Word: They offer to help when they see a need or say yes when asked; Prayer: They offer up a prayer for all of those they have come to know and have helped, for each other, and for others in general.

They may not have the Divine Mercy Chaplet memorized or say it daily. They may not pray the Divine Mercy Novena nine days before Mercy Sunday. They may not have read St. Faustina's Diary. That's ok. Which one of us is perfect? Just look at them and you can see our Lord in action. That works for me! The Divine Mercy Chaplet is prayed every Saturday at 3pm, in case you are curious.

Investment Advisor We spend six weeks each year during Lent fasting, praying and almsgiving. We hope to unite our fasting and praying with Jesus' 40 days of fasting and praying in the desert, to focus on preparing both our inner and outer selves to celebrate the great Easter feast. We give alms to identify with that great sacrifice of God giving His only begotten Son. With Easter on March 31 this year, I hope this finds that you had a very blessed celebration of this central Christian feast! Easter certainly brings thoughts of newness and renewal. We hope our fasting, praying and almsgiving renews our closeness to God. As Spring settles in, I observe the many rituals of the season. I think of newness and renewal. Outside beds are prepared for new planning. I see the new blossoms on trees and flowers reaching full bloom, lengthening of daylight, and a rush of sounds and sights not seen for many months. Schoolchildren begin to count down the days to summer vacation. Parents do the same counting down...perhaps without the joy of the children! Spring seems to elicit looking forward. As I look forward this Spring, I am renewed in my mission to meet with my members. I want to keep you apprised of any changes you might want to consider in your insurance program. I hope you will keep me apprised of any changes in your circumstances. Adjustments can be made to make sure that you are on the path to reach your goals. The Order offers a diverse array of products and services to help you do that. Together we can complete or update your financial needs analysis. This can show where you stand and helps discover any gaps in protection you might have.

Our products: life insurance, retirement annuities, long-term care insurance and disability income insurance, are our core products to help protect you and your family. I'll call on you soon to see if it makes sense to arrange for a meeting. Vivat Jesus!

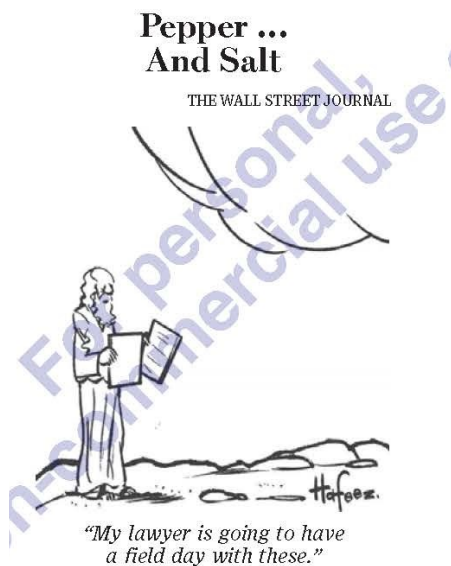

Yours in Christ

Prayer for the Unborn

O God, who has given us the gift of life, we ask you today to bless all unborn babies. Watch over them as they grow and develop in their mothers' womb., that they may might be born healthy and happy and be welcomed with tender love and deep joy. In a special way, we ask you to bless those babies who are unwanted and may never be born. Welcome them into your loving embrace that they find their love in you. Bless and guide all pregnant women, they might respect and cherish the gift of life growing within them. May they accept their child as an irreplaceable gift from you, Amen.

First Responders Award Presentations and Banquet This council has a proud history of honoring those first responders who help keep us safe by hosting an awards banquet recognizing their contribution to the community. COVID put the brakes on it for a couple of years. However on March 23rd, we were able to once again host a banquet for them . This was truly a team effort with Br. Dennis Wells as chairman of the planning committee. PGK Chris Mongone was able to secure the Faith Sellars Community Center as a location. The ever-resourceful DGK Tim McAuliffe managed to have the event catered without cost. Quite a few dignitaries were on hand including: Father Ray Carlo, State Senator Sean Bennett, Mayor Russ Touchberry and his wife, the C.O.O. for Trident Hospital, Mr. Landon Smith, Director of Dorchester Seniors Inc, Ms. Ms. Laquinta West Exec . and several board members in attendance. Other attendees included; District Deputy Chris Beumel, Chief Deputy Dorchester Co Sheriff Sam Richardson, Ops Chief Summerville Fire Department Richie Evangelista – sub for Brent Melcher, Asst Chief Dorchester Co Fire Department Malcom Burns, Chief of Summerville Police Dept Doug Wright, Director Dorchester Co EMS Brian Watts – Sub for Joseph Crowder. Our beloved Grand Knight Rodney Profit reflected that things have come full circle for him. That years ago, he was recognized at the banquet by his peers and now was presenting awards to a new generation.

Second Annual Joint Charity Golf Tournament

April 27, 2024

The goal of this tournament is to raise funds which will allow Councils 6629 and 11910 to continue to support local charities focusing on those who serve the Special Needs community.

All our charities are based here in the Low Country with an emphasis on Dorchester County and the city of Summerville. In this way we can ensure that our dollars are going to help our neighbors. Charities we support include, but are not limited to:

Alzheimer's Respite Center

Coastal Center

Summerville Miracle League

Dorchester Dragons (Special Olympics)

Therefore, we are requesting that local merchants, for a **minimum of \$75.00**, sponsor a hole where your business name and address will be prominently displayed. If you wish to donate a prize to be given away at the end of the tournament, then we would be grateful for that as well.

Last year we were able to raise over \$10,000 for Charity in our inaugural tournament. This year we are planning on doing better! With your help and generous support we can make this happen!

Sincerely,

Golf Tournament Committee

Assembly 1900 Faithful Navigator Report April 2024

Worthy Brothers,

Patriotism is in decline in America and polls show that young people between the ages of 18 to 34 show the deepest decline. A recent Gallup Poll found that only 18% of youth in that age group view patriotism as important. Young people today tend to identify more with their special interest group than they do as a member of our Republic. The simplest definition of patriotism is support for one’s country. Young people learn by the actions of their elders, so it is critical that we provide a model that reinforces the values that have made us what we are as a country.

As we approach the end of our 2023-2024 Fraternal Year, I think we have accomplished most of the goals we set for this year, and I believe that we are heading into the next Fraternal Year at full steam. We are already in the planning stages for events well into next year. It is time to consider Officer nominations for our 2024-2025 FY. Please advise our nominating committee if you are interested in filling a Chair.
