Brothers,

As we enter the last three months of our fraternal year, let us keep our momentum. We have engaged in lots of community activities, such as miracle league, first responders, appreciation and awards dinner. All of the efforts that we've had with our annual golf tournament.

Everyone has given a lot of time and talent to make sure these events went well. This upcoming month we have our memorial day ceremonies be held in town Square. National day of prayer is approaching, as a past district deputy would, we need to pray often because we need Jesus more than ever in our lives. In our last exemplification we welcomed five new members to our council. I'd like to welcome each and everyone of them and thanks to our exemplification teams for all their hard work. Let us please remember to pray for those who are battling illness and recovering. If there's anything I can do for you, please don't hesitate to reach out.

Vivat Jesus

Dear Brothers and Sisters in Christ,

For weeks now, we have been celebrating the joy and power and new life that Easter brings us! We prepared for that for the 40 days of Lent, but now in the Easter season, we have 50 days! Easter is our most important feast!!! The Easter season ends on the great feast of Pentecost! In Pentecost, the Holy Spirit came into the Church as a gift from the Father! The fire that appeared that morning separated and became tongues of fire above each of the people praying in the upper room, and they were changed forever! They were no longer afraid to go out and spread the Good News to everyone. Their fear left them, and the gifts that the Holy Spirit gave them was their strength! The gift of God, the Holy Spirit, coming down at Pentecost changed the whole history of the world!

Look at Simon Peter. He went out on Pentecost morning among the people and gave a long speech, and the Acts of the Apostles says that 3,000 people were added that day! That must've been some speech! And remember, this is from Peter, the uneducated fisherman who so often when he opened his mouth, he put his foot in it! Where did he get the power to do that? The Holy Spirit!

(continued)

Financial Secretary Council remains IN GOOD STANDING with Supreme. We are approaching the end of our Fraternal Year, and I am happy to say we are performing under budget for expenses and activities to date. Now is also the time to update council records, if you have moved, please email me any updates to address or contact information at williamsonbill184@gmail.com.

Vivat Jesu

Dear Ed and all my brother knights!
I cannot thank you enough for your constant support!! Your brotherhood and prayers mean the world to me.
I really hope to see you all at my ordination! May 24th at 6pm
at St. Joseph Parish
in Columbia SC

Thank you again for your constant support
and see you all soon

Thank you
Michael O'Leary

(Chaplain's Message continued)

You are the body of Christ today. We are His disciples! We have the same Holy Spirit! May we go forth every day and be a good witness of Jesus Christ and testify to others about Him and the Catholic Church!

And may we not be afraid when we do that, because we are not alone! We speak and act with the Holy Spirit living in us. So, we can be the weak one or the little one, because we have the big strong one with us always, Jesus Christ!!

May we go forth in the power of the Holy Spirit every day and fulfill our mission in this world!

And may we always remember the first words that Jesus spoke every time He appeared to the disciples for 40 days after Easter: "peace be with you! Do not be afraid!"

The phrase "do not be afraid" is given 366 times in the Bible! That is one time for every day of the year, and even one for leap year! So, let's go forward in the Holy Spirit's power to be Christ's body in this world!
God bless!
Father Ray

Prayer for the Unborn

O God, who has given us the gift of life, we ask you today to bless all unborn babies. Watch over them as they grow and develop in their mothers' womb., that they may be born healthy and happy and be welcomed with tender love and deep joy. In a special way, we ask you to bless those babies who are unwanted and may never be born. Welcome them into your loving embrace that they find their love in you. Bless and guide all pregnant women, they might respect and cherish the gift of life growing within them. May they accept their child as an irreplaceable gift from you, Amen.

The ASAP Program

We've made the rounds for another year and are back in the month of May. As we know, May is the month of Mary, our Mother. And speaking of moms, since there are so many debates over pro-life issues, I thought I would write about the ASAP program of the Knights for moms. Some of you might be asking, "What is ASAP?" Glad you asked! ASAP stands for Aid and Support After Pregnancy. It's really a genius idea since some women really have nowhere to go and no support and may end up thinking that there is no other option but to abort their child. This program gives them another option to carry and keep their baby. After all, if we're going to tell them they should not abort their baby, we rightfully should offer support for them to be in a better position to take proper care of and raise their child. This is how it works: The Knights collect donations to support pregnancy centers and maternity homes. Surely, you've seen and even participated in the baby bottle program, collections of diapers and other baby items at church. Those centers and homes are where those items go. I imagine you've heard of St. Clare's Maternity Home. They house women who want to have their babies but have no provisions or resources to help with basic needs. So, why did I bring up Mary at the beginning? She was very young when the angel told her she was going to conceive a child, she lived in poverty throughout her life. Mary had her parents and Joseph but imagine how that could've changed back in her day. A young, unmarried, pregnant girl would've been an outcast. Let's give these women today the means and support they need—ASAP. This year's drive will support two pregnancy resource centers, Birthright and the Low Country Pregnancy Center. They can use Diapers-sizes Newborn to 2, baby wipes, Size NEW newborn to size 2 baby clothing, new or gently worn maternity clothing

Golf Tournament—For the second year in a row, Fr. Schiller Council 11910, St. Theresa and Richard C. Madden Council 6629, St. John the Beloved, came together in planning and conducting a Golf Tournament at the Summerville Country Club.

Things kicked off with a blessing from Fr. Ray and a welcome from co-chairmen Jim Bird and Tom Bloomer.

Golf (continued) We couldn't of asked for better weather. It was cool with low humidity. After finishing, players came together for a fantastic BBQ lunch, followed by plaque presentations for the Top Three Winners and many door prizes from local businesses.

1st place Steve Duca, Kurt Hebert, Carl Lundquist, Mike Russell

86 Golfers participated. Over 70 sponsors and donors contributed to this event, helping to make it a success. and the proceeds will go towards the Special Needs Community in Summerville and Dorchester County. The golf committee team (Jim Bird & Karl Barta from 11910, PGK Tom Bloomer, Pete Augustine, Tim Smith, Ben Kluth, and John Starzyk from 6629) have done a fantastic job putting on an enjoyable event that enables Knights to fulfill the missions of Charity, Fraternity and Unity.

This is the brand new grill donated by Dr. Dennis Wells that will be given to a lucky winner at a future raffle.
